

# Clear AMMONIA

All-Purpose Cleaner

Product #105

## DESCRIPTION

Clear Ammonia is an excellent all-purpose cleaner that can be used for a variety of tasks. Clear Ammonia combats all types of dirt and grime and can be used on almost any washable surface. Use it diluted or full strength, depending on the job. Clear Ammonia can be added with your favorite laundry detergent in the wash cycle for extra cleaning power and to brighten colors. Clear Ammonia is biodegradable and contains no phosphates.

## USAGE

Recommended for commercial, institutional, educational, industrial and household use. You can easily clean dishes, pots and pans, sinks, counter tops, stainless steel, bathrooms, shower stalls, mirrors, walls, toilets, garbage disposals, tile, porcelain, woodwork, scuff marks and floor wax buildup.

## DIRECTIONS

**GENERAL CLEANING:** Use ½ cup Ammonia to 1 gallon of hot water for refrigerators and other appliances, sinks, bathrooms, dishes, glassware, pots and pans, garbage pails, windows, mirrors, linoleum, ceramic tile floors and venetian blinds. **DISHES, POTS AND PANS:** Add ½ cup of Clear Ammonia to dish water. Let stand for a few minutes. Food and grease will easily wash away. **SPECIAL WOODWORK AND PAINTED WALLS:** Add 1 cup Ammonia, ½ cup vinegar, ¼ cup baking soda to 1 gallon of hot water. **OVENS AND BROILERS:** Leave dish of Ammonia in oven overnight. Spillovers wipe easily in the morning. **RUGS AND UPHOLSTERY:** Vacuum first. Use 2 cups Ammonia to 1 gallon warm water. Dampen sponge and work suds slightly in top surface. **CAUTION:** Test in a small inconspicuous area to make sure color is not affected. **GENERAL LAUNDRY:** Add 1 cup Ammonia to a tub of hot water. Use ½ the usual amount of soap or detergent. **SPECIAL LAUNDRY:** For blankets and woolens add 1 cup of Ammonia to a tub of warm water. No soap or detergent needed. **FOR HEAVY DUTY CLEANING:** Use Ammonia in higher proportion or at full strength as desired.

## PRODUCT SPECIFICATIONS

APPEARANCE	Clear liquid
ODOR	Ammonia
VISCOSITY @ 77°F cps	Water Thin
pH IN CONCENTRATE	11.5
FLASH POINT	None, non- flammable
WATER SOLUBILITY	Total
RINSING PROPERTIES	Free Rinsing
BIODEGRADABLE	Yes
SHELF LIFE	1 Year in unopened container
PACKAGING	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs

## SAFETY INFORMATION
