

Sour Soft

SOFTENS WASHED FABRICS
NEUTRALIZES ALKALINITY

Product # 326

DESCRIPTION

SOUR SOFT is a blend of water soluble neutralizers and fabric softeners designed to be added to the laundry on the last rinse. This addition totally neutralizes the alkalinity and helps in the complete rinsing of loosened and suspended soils, thus preventing resoiling or souring. Leaves laundry soft and fresh.

USAGE

Recommended for commercial, institutional and industrial use. Great for commercial laundry, hotels, motels, on-premises laundry facilities, etc.

DIRECTIONS

Use 6 ounces per 100 pounds of wash. Add to laundry on last rinse. May be used with warm or cold water.
