

# Crete AWAY <sup>plus</sup>

**Removes Concrete From Ready Mix Trucks,  
Cement Mixers & Construction Equipment**

**Product # 459**

## DESCRIPTION

**Crete Away Plus** the fastest working concrete remover in the industry. Penetrates hard set up concrete immediately. Fortified with corrosion inhibitors to retard attack on metals, this concentrated product can be diluted or used straight for the toughest jobs. An acid-based product for quick removal of concrete residue from trucks, mixers and construction equipment. **Crete Away Plus** is faster and easier to use and delivers a mighty powered cleaning. **Crete Away Plus** is biodegradable and will not harm paint, rubber, chrome and most other surfaces when used as directed.

## FEATURES AND BENEFITS

- ✓ **Excellent removal of concrete residues, reinforced formula**
- ✓ **Eliminates yellowing of white paints and dulling of other paints**
- ✓ **Contains advanced technology inhibitors to minimize glass etching and metal corrosion**
- ✓ **Enhanced cleaning power to eliminate heavy deposits of concrete, cement and lime**
- ✓ **Removes road grime, hydraulic grease and oil, eliminating the need to apply alkaline degreasers**

## USAGE

Recommended for commercial and industrial use. Construction sites, cement mixing plants, concrete trucks, concrete and mortar mixers, etc.

## DIRECTIONS

**For manual cleaning**, dilute with 6 parts water. Apply onto the concrete to be removed. **For use in a pressure washer**, dilute with 15 parts water or as needed to remove the concrete. Wear gloves and safety glasses. Use in a well ventilated area. Do not store in metal containers. **For tough jobs**, use straight. Make sure overspray does not contact sensitive surfaces.

## PRODUCT SPECIFICATIONS

APPEARANCE	Pink clear liquid
ODOR	Acidic
VISCOSITY @ 77°F cps	Water Thin
SPECIFIC GRAVITY at 77°F	1.2
pH IN CONCENTRATE	1.0 - 2.0
FLASH POINT	None
WATER SOLUBILITY	100%
SHELF LIFE	1 Year in unopened container
PACKAGING	55, 35, 15 Gallon drums 5 Gallon pails Cases of 6/1 and 4/1 Gallon jugs

## SAFETY INFORMATION
